# OHIO'S CHILDREN'S HOSPITALS

Providing the best care in the nation to all Ohio children

**Every Ohio child is within a two-hour drive of a flagship children's hospital.**

We provide high-quality, cost-effective care for all 2.5 million Ohio children regardless of the family's ability to pay.

**12,000**  
licensed clinicians

**50,000** jobs,  
\$4.1 billion wages

**\$1.1** billion in  
community benefits

Ohio is a destination for pediatric healthcare, treating patients from:

**All 88**  
counties

**All 50**  
states

**40+** countries  
across the globe

Our hospitals are routinely named to the Honor Roll (Top 10) of "Best Children's Hospitals" by US News & World Report, with special recognition for:

- Pediatric cancer
- Pediatric cardiology & heart surgery
- Neurology & Neurosurgery
- Pediatric orthopedics
- Pediatric and adolescent behavioral health

We lead the nation in pediatric collaboration to improve children's health from birth to adulthood, including:

- Mental and behavioral health
- Neonatal care
- Asthma
- Timely recognition of abusive injuries
- Value based care

**WE CREATED THE** Children's Hospitals'  
**Solutions for Patient Safety**  
Every patient. Every day.

Now a network of 140+ children's hospitals across North America, which has saved **29,590** children from serious harm and led to an estimated savings of **\$652.6 million** (as of January 2025).
